

情報電子工学科 招待講演

学会名/ 会議名/ 企業名など	Invited Lecture at Universitas Katolik Indonesia Atma Jaya
演題名	【海外大学招待講演】 Computer Vision
発表者	Masayuki Arai
内容	First I'd like to talk about an overview and current topics of computer vision. Second, introduce our recent study on computer vision, such as textbook page recognition for self-study in distance learning and pedestrian detection.
